Creative Floral Design

I have worked as a professional florist in the Carmel & South Bay area for over 25 years.

As the exclusive florist for the Mission Ranch, I offer complete floral and decorative services for weddings and corporate events. I also have a continuing relationship with the following locations and am honored to be on their preferred vendor list:

Tehama Golf Club
Bernardus Lodge
Quail Lodge
Monterey Plaza Hotel
La Playa Hotel
Carmel Valley Ranch
Holman Ranch
Chateau Juliën
Cypress Point Club

Perfect flowers always arrive on time and within your budget. I shop wholesalers from San Francisco to Monterey, buying only the freshest and highest quality flowers and plants.

Throughout my years in this field, I have discovered reliable sources for the best prices. This allows me to offer you beautiful design and excellent quality that is also very well priced.

I have had the opportunity to create floral designs for many clients, including:

Clint Eastwood
George Clooney
Faith Ford
Polly Draper
Pavarotti
President George Bush
President Gerald Ford
The San Francisco 49er's

My floral designs have also been featured in these magazines:

Elegant Bride
InStyle
People
Weddings West
Grace Ormonde's Wedding Style

I would love to make you
my next satisfied customer.
